### What to bring to school?

- Junior and Senior Infants: Please bring a school bag with your lunchbox and a water bottle. You can send in some items/ books from the booklist each day between Tuesday and Thursday so the bags are not too heavy.
- 1st to 6th Class: Please bring a school bag with your lunchbox and a water bottle. Please bring a well stocked pencil case as sharing items is no longer allowed. Please bring English, Irish and Maths books and some copies on Tuesday. The remainder of books and items can be brought in on Wednesday. This is so the school bags will not be too heavy.
- 2nd - 6th Class: During break times each of these classes will have a designated section of the grass to use. We are asking all pupils from 2nd to 6th Class to please bring in spare Wellies/Old runners in a bag to wear for break times if the grass is wet. These will be kept in school and used as needed. Girls can hang this bag on their coat hook.

We are all looking forward to getting back to school!
