2. ABOUT THE SCHOOL

Scoil Mhuire G.N.S. is a primary school for girls located in Sandymount, close to Sandymount village and beach, under the patronage of the Archbishop of Dublin.

We offer a child-centred education where we stress that all of our collective endeavours seek to support the girls in reaching their full potential. This takes place within a caring Catholic and Christian community, welcoming children of all faiths and none.

The school operates under the governance of the Board of Management which takes responsibility for the adherence to all legal, safety and educational requirements as set out by the Department of Education.

Scoil Mhuire has forged great links with the parish and the wider community. We are a hub where pupils, parents, staff, management and groups within the community work together to provide a life-enhancing experience of learning and development.

Scoil Mhuire G.N.S. is a Catholic girls' primary school with a Catholic Ethos under the patronage of the Archbishop of Dublin. It caters for pupils aged from 4 to 13 years (provided that they are aged at least 4 years on 31st July in the year of admission to Junior Infants).

“Catholic Ethos” in the context of a Catholic primary school means the ethos and characteristic spirit of the Roman Catholic Church, which aims at promoting:-

- (a) the full and harmonious development of all aspects of the person of the pupil, including the intellectual, physical, cultural, moral and spiritual aspects; and (b) a living relationship with God and with other people; and
- (c) a philosophy of life inspired by belief in God and in the life, death and resurrection of Jesus; and
- (d) the formation of the pupils in the Catholic faith

the school provides religious education for the pupils in accordance with the doctrines, practices and traditions of the Roman Catholic Church, and/or such ethos and/or characteristic spirit as may be determined or interpreted from time to time by the Irish Episcopal Conference.

In accordance with S.15 (2) (b) of the Education Act, 1998 the Board of Management of Scoil Mhuire G.N.S. shall uphold, and be accountable to the patron for upholding the characteristic spirit of the school as determined by the cultural, educational, moral, religious, social, linguistic and spiritual values and traditions which inform and are characteristic of the objectives and conduct of the school.

Scoil Mhuire G.N.S. strives to provide a structured, caring, happy and secure environment, where the intellectual, spiritual, physical, moral and cultural needs of the pupils are identified and addressed. We will strive to provide an appropriate education for every pupil in our school.

Scoil Mhuire G.N.S. welcomes and is inclusive of all faiths and none.

The school operates under the direction of the Department of Education and Skills (D.E.S.) from which grants and resources are received annually.

The school curriculum followed is the Revised Curriculum for Primary Schools (1999) produced by the National Council for Curriculum and Assessment in conjunction with DoE.

This curriculum may be amended from time to time in accordance with sections 9 & 30 of the Education Act (1998).

The number of teachers allocated to the school each year is determined by the number of pupils enrolled in the school as at 30th September in the previous school year.

The school supports the principles of:

- Inclusiveness, particularly with reference to pupils with disabilities or special education needs,
- Equality of access and participation in the school,
- Respect for the diversity of values, beliefs, traditions, languages and ways of life in society,
- Parental choice in relation to enrolment subject to the rights and limitations as set out in legislation and D.E.S. regulations and programmes, and the funding and resources available.

Scoil Mhuire G.N.S. is an all-girls school and does not discriminate where it refuses to admit a child who is not of the gender provided for by this school.

Scoil Mhuire G.N.S. is a school whose objective is to provide education in an environment which promotes certain religious values and does not discriminate where it refuses to admit as a pupil a child who is not of the Roman Catholic faith and it is proved that the refusal is essential to maintain the ethos of the school.

Scoil Mhuire G.N.S. is establishing a special class, with the approval of the Minister for Education, which provides an education exclusively for pupils with Autism Spectrum Disorder and may refuse to admit to this class a child who does not have the category of needs specified.

4. CATEGORIES OF SPECIAL EDUCATION NEEDS CATERED FOR IN THE SCHOOL/SPECIAL CLASS

Scoil Mhuire GNS is a school which has established an ASD class, with the approval of the Minister for Education and Skills, which provides an education exclusively for students with a category or categories of special educational needs specified by the Minister and may refuse to admit to the class a student who does not have the category of needs specified.

Scoil Mhuire GNS will cooperate with the National Council for Special Education in the performance by the Council of its functions under the Education for Persons with Special Educational Needs Act 2004 relating to the provision of education to children with special educational needs, including in particular by the provision and operation of a special class or classes when requested to do so by the Council.

Scoil Mhuire GNS will comply with any direction served on the patron or the board, as the case may be, under section 37A and any direction served on the board under section 67(4B) of the Education Act.

5. ADMISSION OF PUPILS

This school shall admit each child seeking admission except where:–

- a) the school is oversubscribed (please see 'Oversubscription' section 6 below for further details)
- b) a Parent/Guardian of a child, when required by the principal in accordance with section 23(4) of the Education (Welfare) Act 2000, fails to confirm in writing that the Code of Behaviour of the school is acceptable to him or her and that he or she shall make all reasonable efforts to ensure compliance with such code by the child.

The ASD Special Class at Scoil Mhuire G.N.S. will provide an education exclusively for pupils with Autism Spectrum Disorder and the school may refuse admission to this class where the child concerned does not have the specified category of special educational needs provided for in this class.

Parents should note the procedure for applications for admission to the school set out in this policy and the Annual Admission Notice which is available on the school website or on request from the school.

Admission to the ASD Special Class

This ASD CLASS is new to Scoil Mhuire GNS and is starting on 31st August 2021. As this is a new class to the school priority will be given to younger girls within the parish of Sandymount and younger girls within the location of Dublin 4 as long as they meet the minimum age criteria as per the general Admissions Policy of being at least 4 years old on July 31st of the year before entry.

Parents who wish to apply for admission to the school's special class for pupils with Autistic Spectrum Disorder ('the ASD Special Class') should note the following requirements for admission (and the other provisions of this policy and the Annual Admission Notice):

- a) A completed Admission Application Form, a document showing proof of address and a copy of the child's birth certificate must be submitted to the school as required by the Annual Admission Notice, unless the pupil is already enrolled in the school;
- b) A report (dated within 2 years of the proposed admission date) by a Psychologist or Psychiatrist stating that the child has been assessed as having Autism or Autism Spectrum Disorder or a report by a multidisciplinary professional team (of which a Psychologist or Psychiatrist is a member) stating that the child satisfies the criteria for Autism or Autism Spectrum Disorder must be provided to the school. All other reports relating to the child which have been prepared by an Occupational Therapist, Speech and Language

Therapist, Social Worker and / or Physiotherapist must be provided to the school. The withholding of any report relating to the child from the Admission Team may invalidate an admission application;

- c) The school's newly established ASD Special Class will accept children who are to be integrated into the school's infant mainstream classes, therefore pupils must be of an appropriate age for inclusion to these classes.
- d) The diagnostic report must include a recommendation that the child has the potential to be included in a mainstream class (independence for the full school day with SNA access) with her age-based cohort before leaving primary school;
- e) The parents of the child must accept and agree to the school's Code of Behaviour and comply with the provisions of this Admission Policy and the Annual Admission Notice;
- f) Receipt of an acknowledgement of an Admission Application Form from the school does not constitute an offer of a place nor does it guarantee a place in the school. It is simply the recording of an application for admission to the school.
- g) An Acceptance Form must be returned to the school within the time frame outlined in the Annual Admission Notice.

Admission applications will undergo assessment by an admission team ("the Admission Team") to ensure that the application fulfils the conditions and requirements outlined above. The Admission Team comprises of the Principal, the Deputy Principal and a member of the Special Educational Team as appointed by the Board of Management. The Admission Team will also be advised by the NEPS psychologist and the NCSE. The decision of the Admission Team is final.

6. OVERSUBSCRIPTION

In the event that the school is oversubscribed, the school will, when deciding on applications for admission, apply the following selection criteria in the order listed below to those applications that are received within the timeline for receipt of applications as set out in the Annual Admission Notice.

While recognising the right of parents to enrol their child in the school of their choice, the Board of Management of Scoil Mhuire G.N.S., also has responsibility to respect the rights of the existing school community and in particular the pupils of the school. This requires balanced judgement, guided by the principle of natural justice and acting in the best interest of all the pupils. Therefore the Board of Management reserves the right to determine the maximum number of pupils in each separate classroom.

All applications recorded in the applications list will be categorised and available places will be allocated with priority given in the following order to:

- (a) Siblings and stepsiblings of children already enrolled in the school and/or children resident in the parish of Sandymount (the eldest child will have priority in this ranking);
- (b) Children of staff (the eldest child will have priority in this ranking);

(c) Siblings enrolled in Star of the Sea Boys' N.S.;

(d) Children from Merrion Road Parish;

(e) Children residing outside the parish (the eldest child will have priority in this ranking)

All criteria should be on the basis that the eldest child has priority.

In the event that there are two or more children tied for a place or places in any of the selection criteria categories above (the number of applicants exceeds the number of remaining places), the following arrangements will apply:

The eldest child will be given priority. If two children have the same date of birth, then a lottery will apply with an independent party present.

The Board of Management will not regard the residency requirement above in each case above as satisfied until the Parents/Guardians are able to provide proof on request by the Board of Management of the child's residency in the Parish for three months prior to the closing date for applications, and continuing residency up to and after the date of entry to Junior Infants. The Board of Management's determination as to whether the residency requirement has been satisfied in any given case shall be final and conclusive. The Board of Management reserves the right to withdraw a place that has been allocated on the basis of residency at any time prior to the commencement of the relevant Junior Infant class in the school if the Board of Management is satisfied that the child no longer satisfies the residency requirement.

Providing false or misleading information or withholding relevant information will invalidate an application.

7. WHAT WILL NOT BE CONSIDERED OR TAKEN INTO ACCOUNT
